VIRGINIANS PUTTING CLAIM
FOR CASH DUE ON PLAYERS

Want Money for Men Sold by Virginia League Since Transfer of Franchise.

WERE AWARDED TO INTS. OPEN TO ALL CLUB MEMBERS

Claims Have Been Allowed, but Sales Had Been Made—Dunn Will Not Reach Richmond Until Tuesday Morning.

Representatives of the Richmond club, in the International League, yesterday filed claims before the National Board of Arbitration for the purchase price of players disposed of by the present franchise holders in the Virginia League. The claims involve players under reserve at the time the International League franchise was transferred. The players have already been awarded to the Ints by the National Association. Professional Baseball League, and the action taken yesterday was to stop payment to the franchise holders in the Virginia League. The players involved are Roney, Obrien, Gray and Strain.

With the opening of the spring training season only two days off, things are still locally. The only active work being taken is in Baltimore, where Jack Dunn is holding forth. Here in Richmond, the players are waiting to wait patiently until the players begin to warm up on Monday. Even Secretary Wick is away, consequently local headquarters are somewhat dead.

Both Wicks and Dunn have been tied up for two or three days. The players brought against the old Orioles club by a physician, who endeavored to collect for services rendered, was not allowed the consent of the management. The claim was not allowed.

Dunn yesterday notified President Alvin M. Smith, of the Virginians, that he would not appear here on Monday as scheduled, but will reach Richmond on the 8 o'clock train on Tuesday morning. Secretary Wicks will return from Baltimore to-day, and will take charge of the recruits when they appear. Boarding accommodations have been secured for them, and practice will begin on Tuesday morning, with New England.

No new players were secured yesterday by Dunn, who is quietly resting on his ears until McGraw and Mack feel inclined to turn over to him. He is pleased, however, with the prospects of landing Sandy Piez from the Baltimore Orioles. Piez, who would be the best drawing card he could have, both at home and on the road.

Lake Dunn, Manager Patsy Donovan, of Buffalo, feels that it is a waste of money to take his team to the far South for training purposes. He has decided to locate in some small New England town in the vicinity of Providence, where the Bisons will open their season. He will then travel to some striking distance of New England League clubs, with whom he can arrange to play exhibition games.

The Toronto and Montreal teams, however, will train in the Bermudas, a British possession, where the Canadian patriots on the part of the Canadian clubs, although the training there would be good, the players of the four clubs have not been announced.

TRACK PROSPECTS AT ELON
LOOK VERY GOOD SO FAR

ELON COLLEGE, N. C., March 12.—Two years ago there was a spurt of interest in track events at this college. Three or four men developing such proficiency that they were sent off to a number of meets. The interest was not sustained, but when the call went out for volunteers for track events to appear at this year's meet, the best arrayed themselves for the challenge of the sport. The coaches have been put to the test, and the weather favored them, and when it had been in the gym, a track had been fitted up on East College Street.

The hard practice has developed some twenty men who give promise of appearing well in the coming season. The yard dash, the most promising candidates are Cotten, Holland, Hutchins and Davis. For the 100 yard dash, Cotten and Morgan, for 440 yards, Morgan, Cotten and Law, one-half mile, Hutchins, Davis, Cotten and Morgan, one mile, Cotten and Morgan, for two miles, Jorgenson and Blum. In jumping, Thomas and Cotten are the favorites. In vaulting, in hurdle races the leading favorites are Cotten, Holland and Hutchins. Hutchins, Cotten and Morgan are both good at the hammer and shot. The following meets have been arranged:

April 3, Trinity, at Durham; April 16, Guilford, at Guilford; April 24, Carolina, at Chapel Hill; April 30, Wake Forest, at Durham.

No meet will be arranged at Elon this season. The plan is to entertain all the teams here. Elon plans also to enter the State meet, should there be one this year. H. T. Cotten is manager of track and B. E. Jorgenson, captain.

WINSTON-SALEM QUINT IS
NORTH CAROLINA CHAMPION

CHAPLAIN HILL, N. C., March 12.—The basketball team from Winston-Salem established an excellent record in State honors here to-night by swamping the Raleigh High School by the score of 25 to 10. The victory gave the Twin City boys the championship title over forty other high schools in North Carolina. The game was a triumph for the boys, who played with a spirit and skill that was well rewarded. Their all-round playing was superb.
